

## Hamlin Pied Pipers Conquer Heavier Spur On Their Gridiron Friday Night

Joy reigned in the hearts of the Hamlin Pied Pipers following their 34-18 conquest of Spur on their gridiron Friday night.

This victory marked the second in a row for the Pipers and left them with the feeling that their victory limited was on the right track after an early season derailment.

Facing a formidable appearing eleven wearing the Spur colors, Hamlin hustled themselves into a commanding position early in the ball game. The Pipers received to get the game under way and were forced to punt from midfield. Don Gregory got the ball away well and the safety was nailed on his own 14 yard line. On the first play from scrimmage for Spur, Ronald Armstrong recovered a Gibson fumble. Gregory plunged for a first down and Sugar Green scampered over for the first six points.

W. T. Stapler started a meteoric night when his kick was good for the extra point.

Stapler kicked off to the Spur 10 and Dick Gibson started one of his persistent parades. Another fumble after two first downs were chalked up for Spur was pounced on by Stapler and once again the Pipers surged go forward. Gregory uncorked a 30-yard run that placed the ball on the Spur five. The quarter ended as the Pipers were pounding at the Spur goal.

On the first play after opening of the second quarter Gregory went over for another marker. Stapler kicked the ball a mile above and beyond the crossbars for another conversion.

Stapler kicked off over the goal line following this touchdown and Spur put the ball in play on their 20 yard line. From this point the Spur club put on an exhibition of power football that rocked the Hamlin defenses. Dick Gibson powered through the middle for three first downs before Hamlin forced a punt. Grimland got off a kick that went out of bounds on the eight and then Gibson helped his own cause when he grabbed a Piper fumble at that point. The same Gibson knifed his way over for the counter. The kick was no good. Score Hamlin 14, Spur 6.

Spur kicked off to Sugar Green and he returned the oval to midfield. From this point they were never headed as Sutherland passed over the goal line to Green to add to the Hamlin total. Stapler missed this one.

The half ended at this point.

The third quarter provided the most evenly contested period of the football game and it was not until late in the quarter that the Pipers were able to score. Milton Butler contributed some fine ball carrying to pull Hamlin out of their own territory and Billy Sutherland chose this moment to uncork a beautifully executed pass play. He lofted the ball into the waiting arms of Asa Goodgame and the Hamlin all-district end took the ball on the Spur 20. Asa feinted two Spur defenders into making their move and then sidestepped to go across untouched. The play covered 42 yards. Stapler took dead aim on this one and fired it through for the point.

Spur dominated play in the early part of the last quarter and Gibson hurled this 205 pounds into the Hamlin line repeatedly to chalk up two touchdowns for the Spur side of the ledger. Heavy assistance in these marches was contributed by McAlpin in the Spur backfield.

As time began running out, the Spur stalwarts kicked off to Sugar Green and found the fleet halfback scampering back to the Spur 45. At this point Milton Butler, the "rookie" star of the Hamlin running corps, followed his blockers beautifully to scamper all the way to pay dirt. The comic highlight of the game came at this point when a bad pass from center gave Stapler no chance to kick. Don Rowland coolly flipped the ball from his holding position back to Stapler and the burly Hamlin boy earned end for the point. This earned a Doc Blanchard nickname for the sterling lineman.

The game ended after the ensuing kickoff and before Spur could get another attack underway. Final score, Hamlin 34, Spur, 18.

Hamlin showed results of a careful preparation against passing by Grimland and Rowland and Goodgame particularly were in there repeatedly to thwart this method of attack.

The entire line performed miraculously in halting the big boys from Spur.

## DePriest School To Close for October Band To Haskell For Fair Opening

Hamlin's De Priest School was closed Sunday, September 29 for a working period and will reopen October 30, according to an announcement made by Steve Morgan, principal.

In a discussion with members of the faculty, he stated, "From the general attitude of the community he was sure the attendance would be good." All the children between the ages of six and 17 are expected to attend regularly.

The attendance for the first seven weeks was excellent the report continued. The luncheon will begin operation October 30 and each guardian is expected to make preparation for opening.

Hamlin's high school band, under the leadership of Walter Chalcraft, will go to Haskell Tuesday for participation in the fair to be staged by that city.

Hamlin's aggregation will be one of several that are slated for appearance at the Central West Texas event and follows the precedent of the Abilene celebration just closed.

The 53 members comprising the local band are proud in the possession of their new drums and uniforms which were received late in the previous school year and are playing in a manner that reflects credit to the local school system.

## School Queen Chosen At DePriest School

Candidates for school queen at the De Priest School were chosen last week.

They are as follows:

Seventh grade queen was Joanne Logan and Mrs. W. C. Butler is sponsor.

Eighth grade queen was Vinita Mayfield with Steve Morgan as sponsor.

Ninth grade queen was Emma Lee Greene with Mrs. E. F. Ford as sponsor.

Tenth grade queen was Ellen Doris Jones with Mrs. E. S. Morgan as sponsor.

## Golf Club To Try For Grass Greens

In a Monday night meeting presided over by President Chuck Abbott, the members of the Hamlin Lakeview Country Club met at the city hall. Purpose of the gathering was to dispose of matters of business that had been pending following cancellation of the club drive for a new clubhouse.

Sufficient members to insure a club house of the type that would meet the requirements of a community hall could not be obtained at this time and the club members voted to return checks that had been received in the voluntary subscription campaign.

A movement was instituted to proceed with the building of grass greens at the local course and it was voted to solicit the funds that will be necessary to complete the project. Plans for the improvement will include purchase of a pump and adequate pipe to reach all greens on the course so that the grass may be properly irrigated during all months of the year.

Means of holding expenses to a minimum were discussed and it was the opinion of the members present that volunteer labor in the earth moving necessary to the building would be asked.

The aim of the club is a very ambitious undertaking and it will require a great deal of work to provide the facilities.

The natural turf at the Lakeview course is superior to that on any course in the section and if the green construction can be achieved, it is believed that golfers from a wide area will make Hamlin their golfing Mecca.

## Gas Appliance Dealers Schedule School Of Cooking At High School Auditorium

Cookery demonstrations featuring automatic gas ranges and refrigerators that replace drudgery with comfort in meal preparation will be held at the Hamlin High School Auditorium Thursday and Friday, October 19-20, according to an announcement by H. E. Lawson, manager of gas company in this area.

The demonstration will start at 2:30 p. m. each day, will be free to the public and advance registration is not required. Receipt sheets will be distributed.

Appliance Company, White's Auto Store and Lone Star Gas Company.

Demonstrations will be presented by Miss Marthe Ritter, member of Lone Star's staff of home economists. She is an expert in the art of modern gas cookery with wide experience in the practical phases of homemaking methods. She received her degree in home economics from East Texas State College at Commerce.

The cookery demonstrations will carry the title of "Flame fashions." They will be based on the premise: "There's nothing like a flame for broiling, baking, roasting, frying, and gas is the magic flame for efficiency, dependability, safety, cleanliness and economy in meal preparation."

Miss Ritter will show the latest fashions in gas ranges with automatic features that conserve food, fuel, time and energy and cook a complete meal while the housewife is "miles away." The elements which make possible this "absentee" cooking and take the "guess work" out of meals include automatic lighting, automatic heat controls, smokeless broiling, low temperature roasting, faster cooking, lowest cost cooking and cooler cooking.

She will actually prepare and cook all foods in view of the audience as she presents "Flame Fashions" and will demonstrate complete meals, using three of the four cooking areas provided by modern gas ranges with automatic features. These include the top burners, broiler and the oven.

MISS MARTHE RITTER. These demonstrations, showing the advantage of "flame cooking" will be jointly sponsored by: Carlton Hardware & Appliance Company, Bryant-Link, Wilson Hardware, City Electric & Plumbing Company, Electric Service Company, Barrow Furniture Company, James Furniture Company, Kin-

## School Carnival Is On Saturday Slate Lions Near Johnson In Variety Program

Hamlin High School is preparing for the big student council event of the year which is to be held Saturday night in the form of the annual high school carnival. Doors of the high school gymnasium will open at 6:00 p. m. and the usual variety of games will invite public participation.

Feature of the Saturday night event will be the coronation of the high school queen. Backing for the respective class candidates has been unusually keen this year and a tremendous number of votes will have been cast.

The following girls have been chosen to represent their classes in the competition this year:

Amanda Freeman, Eighth Grade  
Tommie Lowe, Freshmen  
Billie Putnam, Sophomore  
Susanne Hudson, Junior  
Doris Rodgers, Senior

Saturday found the main street of Hamlin teeming with workers hawking their wares as they conducted bake sales, rummage sales and all manner of money raising devices to earn votes for their particular candidate. One class even supplied a public address system and musical extravaganzas as an added inducement.

## Livestock Shipments Jump 24 Per Cent

Shipments of livestock in Texas rose 24 per cent from July to 5,253 carloads in August, or six per cent above a year earlier, according to reports to The Herald from the University of Texas Bureau of Business Research.

All classes of livestock registered gains over July shipments: calves, 87 per cent; sheep, 34 per cent; hogs, 10 per cent; and cattle, nine per cent.

In comparison with August 1949, movement of calves climbed 108 per cent, and hog shipments were up 14 per cent, while sheep and cattle decreased two and 10 per cent respectively.

## Hamlin Football Squads To Play

Hamlin High School will send its "B" Team and Mighty Mice to the gridiron Thursday night to engage the Haskell squads in a double header.

The program for the secondary groups will substitute for the appearance of the Pied Pipers, who are not scheduled for an away game this week.

Both the Mighty Mice and the "B" squads are shaping up well after earlier season encounters and adequate replacements for a first string that will be riddled by graduation are emerging from the sessions.

In practice sessions this week the Mighty Mice were knocking heads with the heavier "B" squad and were yielding no ground to their bulky opponents.

Johnson, Angel and Hymer are showing marked development in backfield slots for the "B" team along with Weaver and Elmore in the line.

Hamlin Square Dance Team composed of: Mr. and Mrs. Roy Mauldin, Mr. and Mrs. Ivy Jones, Mr. and Mrs. Gene Witt and Mr. and Mrs. I. R. Witt, received an invitation to the Arizona State Fair at Phoenix, Arizona the week of November 11.

## Shell Pipe Line Station To Increase Capacity

Announcement was made early this week that the Shell Pipe Line Station, located near Hamlin, will receive modifications to increase capacities of the system, according to a report made The Herald by J. D. Pigman, chief engineer, who headquarters in Hamlin.

The modifications to existing stations and the building of five new stations is due to the new discoveries in Scurry, Borden and Kent Counties.

## Rotarians Sponsor Slow Sign Drive

Hamlin's Rotary Club met in their regular noon luncheon Wednesday and heard the 8:30 talk of Paul Q. Sampson of St. Louis, Missouri.

The club voted to help in the erecting of proper school signs to be placed around the local schools.

Mr. Sampson, who travels for a wholesale fruit company, talked on the usual food habits of individuals and where they were wrong.

He stated, "85 per cent of all ills can be traced to faulty foods" and continued to explain how in the everyday uses of the wrong foods, such as sugar and vinegar. Forty-two per cent of the enlistees in World War II were physically unfit for the service.

He continued by stating, "one-third of the food most eat keep us, two-thirds keeps doctors and druggists busy." He concluded by discussing heart ailments, diabetes, cancer and colds. He closed by stating, "Good food spells HEALTH!"

There was one Stamford visitor, and two from Abilene. Rev. Ralph E. Johnson of Chattanooga, Tennessee was a guest of Dr. Will C. House. Pat Paterson was installed as a new member.

## Fire Prevention Week Slated for Celebration

Fire Prevention Week will be celebrated October 8-14 Governor Nor Allen Shivers has designated October 7 as State Volunteer Firemen Day.

The local Firemen's Auxiliary are planning to sell Fire Prevention stamps again this year and both groups asks everyone to become fire conscious.

## Firemen To Rotan For District Meet

Mid-West Texas Firemen met in Rotan Thursday for their semi-annual meeting and Hamlin was to be represented by an almost 100 per cent attendance for the night meeting of the association.

Afternoon portion of the program was to feature a number of contests which a local team will enter. Weldon Hudson, Jake Lawson, Sol Branscum, Bill Thompson, Jack White and Jesse Kelly will form the Hamlin team that will participate. Lee Hastings was an alternate.

The evening program will include a wide variety of social events for which the Rotan Volunteer department has made extensive preparation.

Hamlin delegates to the meet are to make a determined effort to obtain the next meeting of the organization for this community.

## Child Labor Law Causes Commotion As Farmers Search of Cotton Pickers

Developments have taken on a questionable hue in the harvest of Jones County's cotton crop this week with the sudden realization on the part of farmers in the region that child labor laws apply in the hiring of children of scholastic age.

The rumor started spreading early in the week and Superintendent I. R. Hutchinson of the Hamlin school system was besieged with questions regarding the liability of the grower in this practice. County Judge Roger Q. Garrett was interrogated and he was instrumental in obtaining information as to what could and could not be done.

A pamphlet issued by the U. S. Department of Labor is at hand which outlines the provisions of the law.

This pamphlet informs us that farmers whose products go either directly or indirectly into interstate or foreign commerce are subject to the act. It is the general opinion that cotton would certainly come under this classification.

Under the second heading, it is emphasized that the provisions make it illegal to employ children under 16 years of age in agriculture during school hours. This applies to migratory children as well as local residents. It does not, however, apply to children employed on the farms of their parents.

It is explained that the term "during school hours" means the hours when the school for the district where the child under 16 is currently living is in session.

There is no minimum age for employment of children before or after school hours.

Teeth are placed in the act in that the farmer is responsible for finding out the correct age of any young worker employed on his place. Only a certificate issued by or accepted by the Department of Labor will establish exempt status of children.

It is suggested in the bulletin that local school officials may be able to furnish certificates that a child has passed his 16th birthday. Attention is called to the fact that Texas laws do not provide a system of identification and Department clearance would be necessary.

No federal violation occurs if the farmer's own children are employed on his own farm and this matter would rest with the local trustee officer.

The act provides that the farmer is responsible of every underage child working on his farm. This includes children hired either individually or as part of a family group by labor contractors or processors, or others.

The law provides a \$10,000 fine for willful violation with subsequent increases for further violation.

It is the understanding of The Herald that this act is subject to federal enforcement.

## Haskell Fair Group Has Hamlin Stop

An advance advertising caravan for the Central West Texas Fair which is scheduled for Haskell in an October 10 opening, arrived in Hamlin Wednesday morning and extended a universal invitation to Hamlin residents.

Olen Dotson, long time sheriff from that community, acted as master of ceremonies for the body of boosters and announced the features that will be offered at the big event.

Highlight of the Hamlin stop was a square dance exhibition which was performed by a team in western regalia. Comprising the team were Royce Atkins and Mrs. Alton Middleton, Mr. and Mrs. Clay Smith, Mr. and Mrs. O. B. Vernon and Mr. and Mrs. K. K. Kirkpatrick. Alton Middleton did his usual excellent job of calling for the exhibition.

Following the exhibition by the Haskell team, Mrs. Crickett Fomby, Mrs. Albert Chandler and Mr. and Mrs. E. W. Cox were persuaded to alternate as partners with the Haskell team.

## Cole & Waters Circus Here Octobers 17th

Tom McLaughlin advance representative of the Cole & Waters Circus was a caller in The Herald office this week and announced the coming of the big circus with date set for Tuesday, October 17 with two performances scheduled at 2:00 and 8:00 p. m. under auspices of the local fire department.

This is the first trip through West Texas for the combined circus since becoming motorized. The show will be presented in three rings and elevated stage, with 20 big time circus acts being offered while in the enlarged menagerie will be featured a baby hippopotamus, baby elephant and mother, dens of lions, tigers, bears, apes, monkeys, deer, camels, kangaroos and others.

Three women from attended the annual conference of the Woman's Society of Christian Service held in Abilene's First Methodist Church, October 3-5.

Those attending from Hamlin were: Mrs. Brad Rowland, president, Mrs. A. A. Hackley and Mrs. Jim C. Mills.

The group attended October 4 only because of a revival going on at the local church.

## Swastika Pays Off On Bryan 2 Well

With Texas Pacific Coal & Oil still maintaining a "tight hole" restriction on their Velta Toiler well, little can be learned of developments for the week in that area. Rumor circulated in Hamlin that pipe had been set in the Ellenburger, however.

Other project of interest locally was the word that the Moutray-Moore, W. J. Bryan Number 2 had a very favorable test in the Swastika. This is the well in which Austin Poe of Hamlin is interested and plug was being drilled Thursday to complete the well. The Herald was unable to learn prior to going to press what the production test revealed on this well. Drill stem test taken late last week showed excellent opportunity for a commercial well. This will be the first producer in that horizon for Stonewall County.

New operations slated during the week include the Grisham & Hunter location on the Mary K. Kennedy tract north of Radium. Contract is for a 5200 foot well on this wildcat.

G. R. Black Oil Co. has staked location for their W. F. Martin Ranch, Section 3. The well will be drilled to the Ellenburger and is approximately two miles west of the dry hole previously drilled on this property.

Atlantic Refining Company has staked their location for a Y-6 Ranch Number 2, which will be drilled to the Swastika as was their Number 1 Y-6, on which pipe has been set.

Information is that Texas Pacific is to drill another Swastika well on the H. O. Cassle property in the Pardue field.

THESE FOUR will be in the thundering herd of McMurry College Indians. They are left to right; halves Eddie Springer of Aspermont, Brad Rowland of Hamlin; fullback, Floyd Sampson of Anson; and quarterback, Doyle Dean of Hamlin. All plan to start in the Mississippi game.

BILLIE NORMA PUTNAM has been selected as Sophomore candidate for Queen at the local school. Coronation of the High School Queens is set for Saturday evening.

## INVITED TO ARIZONA.

Hamlin Square Dance Team composed of: Mr. and Mrs. Roy Mauldin, Mr. and Mrs. Ivy Jones, Mr. and Mrs. Gene Witt and Mr. and Mrs. I. R. Witt, received an invitation to the Arizona State Fair at Phoenix, Arizona the week of November 11.

DORIS RODGERS, above, is Senior candidate for High School Queen at the local school. She will be escorted by Charles Blankicker.

CLARK HEWETT, above is Sophomore escort to see Coronation of High School Queen to be held Saturday.

**BIBLE COMMENT**

**Leaders, Unlike Achan of Israel, Must Be Righteous**

A LEADER'S contribution to the rise or fall of a nation cannot be underestimated. Achan of Israel is a striking example. A shrewd leader of Israel, Achan succumbed to temptation in the midst of a great victory and greedily stole some of the spoils of his triumph.

Later he confessed his wrongdoing. And for coveting 200 shekels of silver and a wedge of gold, Achan was stoned and burned alive. The people of Israel were merciful, believing that the strength of their nation was weakened and endangered by the extent to which any individual set his personal gain or interest above the safety and welfare of the whole.

The leaders of modern-day nations are not liable to receive such harsh punishment for acts of plunder. But they might well take a lesson from ancient Israel, which, like present-day European nations, was imperiled by surrounding countries.

The besetting sin of the Israelites was idolatry. This was not only a temptation to follow the practices of neighboring peoples; it was a distinct moral decline.

There are idolatries in our American life as gross and perverting as those to which the faithless of Israel turned. Some make a god of money, some of power, some of pleasure.

Our leaders must, by living an exemplary life, guide us along righteous paths. They must use their influence to point out the way to success in any endeavor is to love God with all the soul, mind and strength.

Unless the ideals of our leaders are mirrored in their personal lives, they cannot justly face the leaders of enemy nations.

Nor can the people of this nation tolerate an Achan in their midst; they must be able to turn to their leaders for guidance.

**PLENTY ON THE BALL!**

**DODGE**

**"Job-Rated" TRUCKS**

**Plenty of Power!**

Each of the 8 great Dodge truck engines gives you power aplenty—top economy, too. That's because you get an engine that's "Job-Rated" to fit your hauling needs... one that's jam-packed with money-saving, long-life features.

## Services for T. H. Rowland Held At Anson Last Friday

Final rites for Thomas Har-vest Rowland, 74, Jones County resident for more than 50 years, were held Friday at 3:00 p. m. in the Anson Church of Christ.

Wesley Filmon and R. R. Reynolds officiated. Interment was in the Swans Chapel Cemetery.

Mr. Rowland died early Thursday morning at the family residence in Wilsonville community, nine miles east of Anson.

He was born June 6, 1876 in Mississippi and moved to Texas at the age of 13. He married Laura Brown in February 1901 in the New Hope community.

Survivors included, his widow; three brothers, D. P. of Clyde, C. E. of Hamlin, E. E. of Wilsonville; two sons, E. J. of Hamlin, and Harvey of Wilsonville; four daughters, Mrs. E. C. Patton of Lue ders, Mrs. D. Carman of Anson, Mrs. A. Nordquist of Odessa and Mrs. W. A. Williamson of Odessa.

Palbearers at the rites were grandsons.

## Merkel "B" Team Is Victor Over Local "B"

Merkel's "B" high school football squad won a hard fought victory from the local "B" team last Saturday afternoon at Merkel with the final score 7-0.

The contest was nip and tuck all the way, but the Merkel 'B' Badgers managed to hit pay dirt in the third quarter after a 62 yard sustained drive. The march was set up from recovering a Hamlin fumble on the Merkel 38.

The ball was carried to the Hamlin four stripe and then drove over. The extra point was run over.

4368: W-D-Mary Kate Kennedy to G. G. Burson, August 28, 1950. \$100.00. Being 328.87 ac of land out of the McMillen & McGloin Lea 337, (2) Being 2.58 ac of the NW part of Subd 15, McMillen & McGloin 336.

## Mound, Brain, Power Stars Set for Series

Vic Raschi

Casey Stengel

Joe DiMaggio

Robin Roberts

Eddie Sawyer

Andy Seminick

**IT WILL BE YOUTH VERSUS AGE** when the Philadelphia Phillies, champs of the National League, square off against the perennial American League victors, the New York Yankees, in the 1950 World Series. Seen above are some of the stars of these two top teams, compared in their various departments. Vic Raschi, upper left, has been the Yanks' big gun on the mound all season. Manager Casey Stengel, upper center, feels that his team, paced by such "old pros" as Joe DiMaggio, upper right, will be able to sweep through the high flying Phils. Youngster Robin Roberts, lower left, has taken over the heavy mound chores since the Phils lost several of their stars through the draft and injury route. However, Eddie Sawyer, still regarded as a newcomer to the managerial ranks, will depend on his youthful Whiz Kids, bolstered by such veteran power hitters as catcher Andy Seminick, lower right, to cop the Phils' first championship.

### ON DISTRICT BOARD.

## Camp Fire Girls Learning Of Fire Prevention In Week Designated For That Worthy Cause

Camp Fire Girls are celebrated for their ability to start a roaring blaze in practically no time at all without resorting to paper, canned heat and other civilized gadgets, but then understand that knowing how to extinguish a flame is equally important.

During Fire Prevention Week, October 9-15, Camp Fire Girls are paying particular attention to fires; those that shouldn't start at all and those that, have been built for a purpose, should be carefully doused when a campsite

is left.

Fire Prevention is closely connected with safety, the theme of 1950 Membership Drive of the group. Although the girls have given primary thought to safety on wheels, in the home and as pedestrians, this week fire prevention will be in the spotlight.

Having learned that 200,000 forest and range fires in a single year destroy enough trees to build about 86,000 five-room homes and provide a 12-month supply of newsprint, for every

Miss Shirley Cole and 'Rajah' above, is one of the trained elephants with the Cole & Walters Circus coming to Hamlin, Tuesday, October 17. Two performances are scheduled at 2:00 and 8:00 p. m., under auspices of the local Fire Department.

In 1911 the first American aviation pilot's license was issued to Glenn Curtiss.

newspaper in America, the group is determined to do as much as possible to prevent such fires in the future.

Three specific fire building rules which the girls are pledged to follow are: (1) hold the match till it is cold; (2) drown the campfire until every spark is killed; (3) ask about the law before burning grass, trash or brush.

Blue Birds, Camp Fire Girls and Horizon Clubbers, the three age groups of Camp Fire Girls, also are learning the fundamentals of fire prevention within the home.

According to National Safety Council, three out of four fires start from one of the following causes: (1) careless handling of matches, (2) faulty chimneys, stoves, furnaces, (3) misuse of gasoline and all inflammable fluids, (4) defective wiring and electrical appliances.

"Although we can't always do too much about the second cause," Ryland Gleaton, council president and Kathleen Crawford, executive both said, "even the youngest Blue Bird can help to prevent fires caused by matches. And by studying fire prevention now Camp Fire Girls can form safety habits that will be second nature to them all their lives."

## Hamlin Memorial Hospital News

Patients admitted to the Hamlin Memorial Hospital since last week's report in The Herald were: Elma Ree Brewer, medical, September 26; Mrs. Bill Smith, medical, September 26; Mrs. W. H. Cranford, medical, September 26; Mrs. Lena Mallard, medical, September 26; Danny Warner, medical, September 26; H. L. The first Bible printed in America was printed in the Indian Language.

## Autumn Is Ideal Time For Working Over Gardens, Local Garden Club Advises All

Autumn is the ideal time for redesigning and replanting existing gardens no less than for planting new ones, according to a report made The Herald by the local Garden Club.

With few exceptions trees, shrubs and hardy perennials are much better off put in the ground now than shipped in the spring—after a winter in "storage"—or transplanted in spring, even if it's just a matter of moving them about on your own place.

There are two great advantages in fall planting.

First, the plants are in better condition to be moved. With deciduous trees and shrubs—including Roses—the leaves have dropped, and the part of the plant above ground is dormant, or nearly so, while the roots are still active.

Second, the conditions of soil and temperature are such that they favor root growth without a corresponding development above ground. The soil is warmer than the air and—usually—remains uniformly moist. In spring just the opposite is true: the soil is cool and the air warm and moist, favoring quick top growth before the roots have a chance to establish themselves thoroughly. This is especially true of early-flowering shrubs and perennials.

Most amateur gardeners would be surprised at the amount of planting and transplanting that is done in commercial nurseries, right up until the ground freezes. If these experienced men, who

cannot afford to risk large-scale failures, find the practice of fall planting a good one, it is a safe bet for the home owner.

### There's Replanting, Too

There are few gardens, more than a couple seasons old, that cannot be definitely improved by replanting as well as replanning.

Only actual results, obtained under one's local conditions, will determine which plants will thrive and which will merely struggle along. Additions, eliminations, and rearrangements are a normal part of the development of any garden.

Then, too there's the factor of getting such work done now, leaving more time for tasks which these days, when it's next to impossible to obtain any competent help when an extra hand may be needed, that is a mighty important consideration.

So, if you have any garden redesigning to do, or any new plantings to make, plan to get them started this month. This will give you—according to local "hard freezing" dates—four to eight weeks to complete the job and have everything in readiness for the multitude of spring tasks that always demand attention.

Mr. and Mrs. Charles E. Holder of Westfield, New Jersey are visiting in the home of her mother Mrs. W. H. Gilbert. Mrs. Holder is the former Edwina Gilbert and was active in music activities in Hamlin and West Texas.

## LOGS FOR FIREPLACE.

How to make multi-colored logs for your fireplace—roll newspapers tightly, tie with string. In a four or five gallon jar, mix: one gallon water, four pounds blue stone, crystal form, four pounds

copper sulphate, powdered form and three pounds rock salt. Soak logs in this for three or four weeks, turning end for end each day and stirring the solution. Add more water if necessary. Then remove and spread to dry.

## COTTAGE CHEESE SALAD

- 2 Cups BANNER Cottage Cheese
- 1/2 Cup BANNER Whipping Cream
- 1 teaspoon salt.
- 1/2 Cup Mayonnaise
- 1 Cup Crushed Pineapple
- 1 1/2 Cup Nut Meats
- 1/2 Cup Cherries, diced
- 2 tablespoons Sugar

Mix Cottage Cheese, Cream, Salt and Sugar until smooth. Fold in Mayonnaise, add fruit and nuts, pour into refrigerator tray, freeze. Cut in squares and serve on lettuce leaf, garnish with Mayonnaise and Cherries.

# OF INTEREST TO WOMEN

## Paper Work Yields Time for Beauty

MANY homemakers shrug their shoulders hopelessly when they compare the well-groomed look of career women with their own "thrown-together" appearance.

They tend to excuse themselves by pointing out the emergencies that steal from a housewife the time that might have been devoted to prettying up.

No one who has ever kept house would deny this, but there are ways in which to help, if not remedy, those situations that reach a climax with the despondent wail, "If I only had time. . ."

If you'd like to improve your grooming, take a tip from business girls and start doing a little paper work. Keep a grooming list in the same way that you do your grocery list.

When you notice your Sunday shoes need re-soles, write a note to yourself so you won't be caught short the next time you plan to wear them. If the button pops off your coat or your finger goes through the end of your glove, add these items in need of mending to your list also.

It's best to keep a permanent place for these jottings, since loose scraps of paper tend to get misplaced. A small notebook or a school composition book will serve the purpose admirably.

Try keeping a calendar of your activities, too, so that your days

This wise young homemaker keeps a calendar of her activities, in order to eliminate emergencies that arise through lack of organization. Through planning, her outlook is more serene and her appearance more beautiful.

Having scheduled a busy day to allow herself ample time for dressing, this young homemaker emerges from her home as well-groomed as any career woman. She gives her purse a last-minute check-up (above) as a part of her beauty routine.

You'll find that you have time to attend those last-minute routines that add up to good grooming.

can be better planned. For this, use a day-to-day appointment book or even an ordinary wall calendar.

This will eliminate such emergencies as suddenly remembering on Tuesday afternoon that you've promised to bake a cake for the

church supper that night. It'll help keep your appointments straight, too. You'll avoid such pitfalls as accepting an invitation to a tea on the same afternoon that you'd arranged to visit the dentist.

With such advance planning,

## Charlotte Jo Wallace Has Birthday Party

Charlotte Jo Wallace was honored on her 11th birthday anniversary with a party given by her parents, Mr. and Mrs. W. Wallace of 444 NW Avenue E, Saturday night.

All girls wore their formals and boys wore their dress clothes. A total of 19 were present including the honoree.

Those present were: Pat Norris, Lee Rea Vaughan, Mary Ann Wilbanks, Linda Carlton, Janice Crowley, Charlotte Fay Carson, Deanna Armstrong, Joy Fay Hames, Betty June Teague, Middle Ann Ray, James Crowley, Gene Steele, Muri Don Smith, Stanley Wilkins, Jay Cunningham, Jerry Fred Jay, Tommy Kelly, and Melvin Hames.

Many games were played by the group, presents opened and refreshments served to attendants. Photo flash pictures were made by Dickie Wallace.

Others attending the party were: Pauline McKinley of Stamford, Mr. and Mrs. Jesse Locke and Jess of Lubbock, Mr. and Mrs. O. L. Wallace, Chisty Jean, the honoree and her parents.

BY JEAN CLARK

## SIX for supper and what to serve?

Easy on the budget is Macaroni Meat-In-One. To 3 qts. actively boiling water, add 1 tsp. salt. Gradually add 6 ozs. elbow macaroni. Cook until tender (about 12 mins.). Drain and rinse. While macaroni is cooking, melt 3 tbsps. butter or margarine in top of double boiler. Stir in 3 tbsps. enriched flour. Gradually add 1 1/2 cups milk, stirring until thickened. Add 1/2 tsp. dry mustard, 1 tsp. Worcestershire Sauce, 1/2 tsp. salt, 1 cup grated cheese. Stir until cheese is melted. Add macaroni and blend well. Pour half of macaroni mixture into bottom of well-greased 2 qt. casserole. Cover with 2 1/2 cups cooked drained green beans (1 No. 2 can). Top with remaining macaroni. Arrange 6 strips bacon over top. Cover and bake in moderate gas oven (350°F.) 15 mins. Remove cover and bake 15 mins. more.

No matter how clean your home, there's bound to be some dust in the air. An air filter, easily installed, on your forced warm air gas furnace screens out dust, keeps it from going through the house.

Emergency plumbing: A handful of soda and a half glass of vinegar poured down a stopped-up drain usually clears it.

A new control for automatic gas water heaters is marked Warm, Lukewarm, Hot and Very Hot to guide the householder to correct temperature hot water.

The equivalent of a 2 1/2-ton truck is lifted every year when women hang laundry on the line. An automatic gas dryer, controlled to any drying temperature, eliminates such laundry drudgery.

Quicker than a knife, and safe, too, are kitchen shears for cutting up chicken, ham, salad trimmings and such.

## Mrs. R. C. Ritchey Is Soph Class Hostess

Mrs. R. C. Ritchey entertained members of the Sophomore Class and their sponsors, Mrs. G. Austin Poe and Miss Lanell Sullivan, Tuesday night in her home.

There were 40 present to enjoy the games, refreshments and singing. Business was transacted and further plans were made for the coming school carnival.

A barber shop quartet was selected as follows: Clark Hewitt, Robert Fletcher, Donald Strain and Don Kelley. They will be featured Saturday night in the Sophomore Talent Show.

Joe Don Hymer will also be featured with his trombone.

Pencils, every kind. The Herald

## Comrades Class Holds Thursday Social Meet

# Want to head the Hit Parade?

# Better Buy Buick!

PERHAPS you've noticed that there seem to be a lot of these brawny beauties running around on America's highways—and it isn't just that boldly gleaming forefront that spreads this impression. It isn't just the fact that folks who own a Buick get such a bang out of it that they do a lot of driving. Back of all this is another fact. It's a fact that contains a broad hint to anyone who'd like to know what's what in motorcar buys. 1950 Buicks are breaking all past popularity records, as registered in sales.

So we suggest that you do some personal investigating. Find out, for example, how mas-

terful you feel, with Fireball power purring away the miles, at a polite touch of your toe on the gas treadle.

Find out how the jolts and jars seem to disappear, when you have big soft coil springs on all four wheels, and fat low-pressure tires on wide Safety-Ride rims.

Then there's Dynaflo Drive,\* which Buick owners vote the biggest automotive hit that has come along in years.

With all this, there's room, and comfort, and road-bugging heft combined with a light and willing response to your hand on the

wheel—and prices that start down with the sizes.

Seems like almost everyone wants to own one of these Buicks—and most people can. How about you? Isn't it a smart idea to see your Buick dealer now and get your name on his list?

**Only BUICK has Dynaflo—**  
and with it goes: HIGHER-COMPRESSION  
Fireball valve-in-head power in three engines. (New  
F-263 engine in SUPER models.) • NEW-PATTERN  
STYLING, with MULTI-GUARD forefront, taper-  
through fenders • TRAFFIC-HANDY SIZE, less over-  
all length for easier parking and garaging, short  
turning radius • EXTRA-WIDE SEATS cradled  
between the axle • SOFT BUICK RIDE, from all-coil  
springing, Safety-Ride rims, low-pressure tires, ride-  
steady torque-tube

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

## Mrs. Branscum Is Buried Thursday

Mrs. M. C. Branscum, long time resident of Hamlin, died at the age of 79 at 9:00 p. m. Tuesday in the Hamlin Memorial Hospital after a lingering illness.  
Funeral services were set for 2:30 p. m. Thursday at the First Baptist Church with the pastor, Rev. A. R. Posey, officiating. He was assisted by Rev. D. G. Reed of Abilene.  
Mrs. Branscum was born in Marshall, Arkansas, on January 10, 1871. She was married to the late M. C. Branscum in Oklahoma and the couple moved to Hamlin in 1922. Mr. Branscum died in Hamlin in 1928.  
Burial was under the direction of the Barrow Funeral Home in the East Cemetery.  
Survivors include five daughters, Mrs. J. A. Rose, Mrs. D. W. Richardson, Mrs. Albert George, and Mrs. L. B. Meeks of Hamlin; and Mrs. O. C. Byrd of Abilene; three sons, A. W. Branscum of Delevan, Illinois, U. S. Branscum of Roby and A. Branscum of Rotan; 22 grandchildren and nine great grandchildren, and two sisters, Mrs. Sherman Martin, of Marshall, Arkansas, and Mrs. Frank Martin of Okmulgee, Oklahoma.  
Mr. and Mrs. Norman Grant of Denton, Harold Boggs and son and Mrs. Myrtle Bowen of Hernleigh visited Sunday with Mr. and Mrs. A. T. Barnes of McCaulley.

The man who is down on everything is usually up on nothing.

**EARL TURNER** of Hamlin is seeking his third letter as a tackle for the Texas A&I Javelinas at Kingsville. Still only a junior, Turner will be in action Saturday against Howard Payne in Brownwood.

## Community 4-H Club Formed At Tuxedo

A new type of 4-H Club has been organized at Tuxedo, called a Community 4-H Club.  
It is composed of boys and girls who meet at night with W. H. Lehmberg, county agent and Miss Loreta Allen, home demonstration agent, and the parents of the 4-H clubbers.  
Officers elected were: John T. Treadwell, president; Lou Ella Brigham, girl vice president; Bobbie Clay Jones, boy vice president; and Paige Baize, secretary. Next meeting will be held October 9 at 7:00 p. m. at the Tuxedo School Building.

## McCaulley News

By VIVIAN SHORT

Velma Lou Boyd was a guest over the week-end of her parents, the L. H. Boyds, and her brother, Holman.  
John Frank Maberry and wife were Dallas visitors a few days ago.

Burt Mayo and Mrs. Trash of Rotan were married by Rev. L. R. Stuckey last Sunday afternoon.

Attending the West Texas Fair in Abilene last week were: The Luther Rectors, George Dardens, Luther Maberrys and the High School Students, and Superintendent S. L. Smith and family.

Ted Abbott and wife attended the livestock auction in Sweetwater last Wednesday.

A. S. Graham and family have moved to Houston.

Loein Maberry and family are moving to Lubbock, in the near future.

Mrs. Jim Fancher attended the funeral of Mrs. H. O. Rowland of Anson last Wednesday.

Teddy Max Masser has been ill with yellow jaundice this week and missed school the entire week.  
Mrs. W. F. Davison left last Thursday to visit her brother, D. L. Nickless, and family of San Antonio.

Attending the Sweetwater and Lubbock football game last Friday night at Sweetwater were: Mr. and Mrs. Buddy Gibson and Jerry Rush. The game was a tie.

Mr. and Mrs. Pete Forbes and family are moving to Hamlin this week.

Mrs. Bertha Greggs has moved to Hamlin, where she has accepted a position with the Hamlin Memorial Hospital.

E. A. Lawsil are moving to town into the house just vacated by Mrs. Bertha Greggs.  
Bill Maberry of Lamesa was a week-end visitor here, with relatives and friends.

L. C. Houghton and family of Abilene spent Saturday night and Sunday with his parents, the Sherman Houghtons.

Ben Cockrell of Post spent Sunday in the home of the George Dardens.  
W. T. Farrow, who has been seriously ill, is now in Lubbock for the purpose of going through the clinic.

Mr. and Mrs. F. L. Rector visited Sunday in Rotan in the home of their daughter, Mrs. Leldon Clifton.

Mrs. Ben Short visited in the home of Mrs. Etta Stephenson of Hamlin last Thursday. Mrs. Nellie Paterson of Sulphur Springs was also there. She is a sister of Mrs. Stephenson's.

Sgt. Leo Masser was home Sunday on a furlough and is to be sent overseas soon.

S. E. Miers returned last Sunday from a month's visit with his children in Dumas and Pecos.

Something to remember: When tempted to lose patience with the other fellow, just pause and think how patient God has been with you.

So Long; I'll be newsing you!

## August Retail Sales In State Climb 22 Per Cent From Report of Last Year

Texas retail sales for August 1950 climbed 22 per cent from a year earlier, according to a report to The Herald from the University of Texas Bureau of Business Research.

Preliminary tabulations placed August sales at an estimated \$576,000,000, or four per cent below the all-time peak reached in July 1950.

August sales of durable goods stores fell 10 per cent from the previous month, while nondurable goods stores registered a five per cent gain. From the same month a year ago, durable sales were up 32 per cent to out distance the 11 per cent increase for nondurable goods

stores. Household and appliance stores presented a 23 per cent reduction in August sales from the vehicle dealers were off 16 per cent; farm implement dealers, 12 per cent; and hardware stores, seven per cent.

Counter to the over-all monthly decline for durable goods stores, jewelry sales jumped 21 per cent from July. Lumber and building material dealers and furniture stores turned in smaller increases of six and three per cent, respectively.

Without exception all durable goods stores recorded higher sales in August 1950 than in the same month a year ago. Sales of lumber and building material dealers jumped 63 per cent; jewelry stores, 35 per cent; farm implement dealers, 32 per cent; furniture and household and appliance stores, 29 per cent; and motor vehicle dealers, 25 per cent.

Women's specialty shops, with a 19 per cent gain, tallied the biggest July-to-August advance among nondurable goods stores. Florists and office, store and school supply dealers showed increases of 18 per cent, and shoe stores reported a 15 per cent upturn in their August sales. Smaller gains ranged from two to 12 per cent.

On the other hand, August sales of filling stations decreased 12 per cent from July; men's and boys' clothing stores, seven per cent; country general stores, three per cent; grocery stores without meats, one per cent; and combination grocery stores reported a fractional decline.

Increases over August 1949 sales for nondurable goods stores varied from a three per cent gain for women's specialty shops to a 20 per cent climb for shoe stores.

## County Trapper Is Listing Large Bags

According to a report from the Texas Predatory Animal Control with Homer Thomas, president; Charlie Myatt, secretary; L. W. Whitley, trapper; there were 219 coyotes and 11 bobcats destroyed in Jones County year ending October 1.

The group expressed its appreciation of the local businessmen in helping to raise the monies for the trapper and for their other cooperation, the report continued. "Anyone wishing the services of the trapper may contact L. W. Whitley, Route 2, Leuders, the report continued.

Entire yearly tabulation was reported as follows:

October—30 coyotes.  
November—39 coyotes and 3 bobcats.  
December—19 coyotes and 1 bobcat.  
January—15 coyotes and 5 bobcats.  
February—15 coyotes.  
March—12 coyotes.  
April—29 coyotes, 1 bobcat.  
May—18 coyotes.  
June—7 coyotes and 1 bobcat.  
July—17 coyotes.  
August—12 coyotes.

## State Fair Opens At Dallas Saturday

The unveiling of the long-heralded Mid Century Exposition, Texas' State Fair, will open this Saturday at Dallas. It is expected to be the biggest splash in its 65 year history and topple all its own world's records for attendance.

While in the field of entertainment at the Fair will be "South Pacific" and the 1951 Ice Cycles. Sally Rand and her all-new musical review and several others.

A giant midway attraction will also be at hand.

Another spectacle will be the "Parade of the Decades" nightly through the grounds.

In the livestock feature will be the All-American Jersey Show and a view at the "world's champion cow", Signal Vol. Sable. The final tabulations of entries livestock depvisan show 4,424 head of livestock.

In the Junior Livestock Show 1,856 head have been entered by 405 4-H Club boys and girls and Future Farmers of America. The premiums total \$72,659 and 22 states are represented in the 20 breed show.

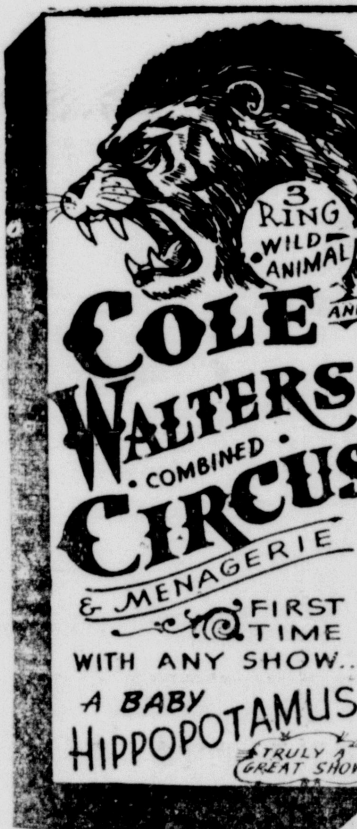

Atomic energy in peacetime will be another feature in the science department and in the art showing of the "Washington Crossing the Delaware".

Entries of the five classifications of the Women's Division showed hundreds of delicate work and canned goods.

There are many other free shows which are both educational and entertaining offered at the 1950 State Fair.

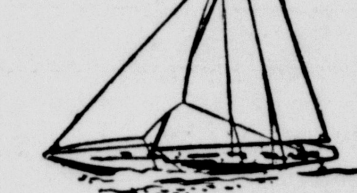

September—12 coyotes.

## Senator LeBlanc Says South Has Great Industrial Future

Now Is the Time to Start Getting Somewhere, Says HADACOL Owner

Lafayette, La. (Sp.)—Senator Dudley J. LeBlanc, colorful owner of HADACOL, wants the South to sell its advantages to the nation just as he is selling HADACOL to the rest of the country.

The Senator spoke to about 500,000 people on his recent half million dollar good-will tour of 10 southern states. His theme was the fallacy of the South producing raw products, shipping them north for processing and then paying freight to bring the finished product back home.

The Senator pulled his handkerchief out of his pocket waving it to crowds that ranged from 25,000 to 60,000. "This handkerchief was made from cotton grown in the South," he said. "The cotton was shipped to Massachusetts and made into this finished product. Then we in the South paid the freight on it back home where we grew the cotton."

"That mill in Massachusetts furnishes employment to folks up there and paid taxes that created schools and improved their economy. Why couldn't those northern folks move factories down here and give employment to our folks? I tell you, they would if we sell them the wonderful advantages of the South just as we are selling HADACOL to the rest of the nation."

Senator LeBlanc is spending a great deal of money on colored sound pictures of the HADACOL Good Will Shows to display the advantages of the southern industry. He plans to show these in theaters. He is also preparing an elaborate booklet to distribute throughout the north.

Senator Dudley J. LeBlanc

"I feel that when a firm has become as large as HADACOL that it owes it to its people to do more than sell just itself," said Senator LeBlanc.

Senator LeBlanc presented Mickey Rooney, Burns and Allen, Carmen Miranda, Connie Boswell, Roy Acuff, Ernest Tubbs, Minnie Pearl, Sharkey and His Dixieland Band, Frakson the Magician, and Marie Germain LeBlanc.

HADACOL is now selling at the rate of more than \$2,000,000 per month and the Senator is planning to increase sales to \$50,000,000 if he can obtain enough raw materials.

Women first appeared as professional dancers on the French stage in the 17th century.

According to surveyor's measure, 36 square miles comprise a township.

Occipitofrontalis is the technical name for the scalp muscle.

As far as the Constitution is concerned, a woman can be elected to the U. S. Presidency.

for  
Economy and Long Life

**Thoroughly Good—and Looks it!**

Wherever you drive, you are certain to see a great many new Pontiacs—for two reasons. First, more people are buying new Pontiacs than ever before. Second, Pontiac, with its distinctive Silver Streak styling, just can't help being seen and admired. Pontiac is a stand-out, too, for performance, dependability, and real economy. Come in and see the new Pontiac any time.

**Dollar for Dollar you can't beat a PONTIAC**
